RE: Proposal for Housing the Homeless in Marina del Rey

Dear Mr. Levine,

Thank you for your letter dated April 28, 2021 regarding the proposed pallet shelters at the boat launch parking lot in Marina del Rey.

While my office has had informal conversations with Councilman Bonin regarding the proposed shelter, we have not yet received a formal proposal from the City of Los Angeles.

Please know that I understand your concerns and will not support any project that will impede public access to the launch ramp.

The homelessness crisis is one that is not easily solved, and we must do everything we can to get people off our streets and into a shelter.

We will keep you updated on any new information received.

Sincerely,

Janice Hahn
